

LITTLE LEAPERS

School Readiness, Literacy & Social Thinking

Two Pre-Prep Programs

Little Leapers focuses on setting your pre-school child up for success in all areas of school readiness. This program is best suited to children in their 2nd year of 4 year old kinder and is ideal for typically developing children. It caters for small groups of children – no more than 22 in a group. Facilitated by Keryn Johnson – over 25 years teaching experience specialising in special needs, social skills, literacy and the early years, including pre-prep - and other expert educators. Classes are held at Montmorency Children's Centre (Petrie Park). We offer two programs: Core (one day per week) and Extended Core (3 days per week).

Core Program

- One day per week during the school term: Monday OR Thursday
- 4 hours per day; Monday: 12 - 4pm, Thursday 9am - 1pm
- Literacy Lessons, including access to our Froggies Learning Pad using Little Learners Love Literacy Program
- Oral language lessons, including expressive and receptive language
- Numeracy Lessons
- Social Skills Lessons, including access to our Corroboree Frogs Program using the We Thinkers Program
- Fine motor skills lessons
- Library Access
- Some access to extra-curricular activities such as gardening, science, Indigenous Studies and sustainability
- Individual scrapbook that goes home weekly so parents know what is covered in class and see ongoing progress
- Group learning stories/portfolio
- 15 minutes of playtime per day
- 15 minutes for snack time per day
- Two staff and 16 to 22 children
- Non-funded program
- \$70/day - non-negotiable - full payment required upfront before the start of each term
